

Dermapen 4 Good Design Awards

DermapenWorld is proud to announce that the Revolutionary Dermapen 4 won the "GOOD DESIGN AWARD" in the medical and scientific category at the 60th anniversary of GOOD DESIGN AUSTRALIA held at the iconic Sydney Opera House - attending the event was special guest Jan Utzon son of the Danish Architect of Sydney Opera House, Jørn Utzon.

Hosted by renowned Dr Brandon Gien who is an advocate for design that has the power to change and enhance people's lives.

DermapenWorld CEO, founder and creator of Dermapen 4 Stene Marshall stated; It's an honour to receive such a prestigious award in a category that has seen recognition of iconic Australian brands with worldwide impact on our industry such as Cochlear, ResMed and Facett. Dermapen 4 has been a culmination of years of research and development. Awards such as this make all the hard work worthwhile. We would like to thank our development partners in Australia Cobalt Design, Planet Innovations and CBO that have helped us create this revolutionary product. We are extremely excited to be delivering Dermapen 4 to our loyal Dermapen Authorised Treatment Providers and distributors in over 50 countries."
